Question # 18: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- An uncomfortable class to participate in.
- Nick was a great TA. He paired his class with things we learned in lecture, and he asked us to tell him things we were confused about. We would tell him, and he ended up making it clear for us.
- This instructor answers the students' questions in great detail.
- Enjoyed the discussion time. It was informative. I think maybe some games would help in this case such as jeopardy for more engagement.
